

Venom Extractor (for Snake Bite)

care
PLUS[®]

Product Code: MFAK06.01

VENIMEX - VENOM EXTRACTOR

Care Plus[®] Venimex is an automatic venom extractor which enables one to remove the venom of poisonous bites (spiders, snakes) and stings (bees, wasps, scorpions, sting-fish) easily. This prevents the poison spreading through the body.

The Care Plus[®] Venimex venom extractor is a vacuum pump. The unique thing about this extractor is that it can be operated with one hand, also on difficult to reach spots. The suction power of the Care Plus[®] Venimex is 803 mbar (when the small suction cap is used).

Dimensions (l x w x h): 235x210x460 mm
Weight: 140 grams

Made in Netherland
